4g hoisting license study guide printable version 1 answers

Check with your bank. What sets us apart from our other training providers is that we don’t simply send you state law documents and charge you for it (these documents are free, by the way). you have the option to have us manage your state license application process for a small processing fee of $5. We are the only place on the internet offering electronic application submission to the state of MA. Revocation of License The granting of a Massachusetts Hoisting License is a privilege, not a right. If so, they've received and have processed (or are processing) your application. The State of Massachusetts also recommends that applicants familiarize themselves with OSHA regulations,10 owner’s manuals and safety manuals11 for the equipment to be operated, and the information at Dig Safe.12 DO NOT TAKE THE EXAM UNLESS YOU ARE PREPARED. They are also readily available online at the Massachusetts Legislature’s website.9 The written exam is comprised of less than 50 questions, all of which are multiple choice. Once you have started a course, you may save it and return to it at your convenience. The two-hour course for restriction 1D is only $49. To learn more about this benefit, click here. Interested parties may log on to our website15 and take the entire course at their own pace. 2C, 2D, and 3A restrictions. A hoisting license may be revoked or suspended on the grounds of: Operating hoisting equipment while under the influence of alcohol or drugs Failure to: Report accidents Report injuries Comply with Massachusetts General Law regarding hoisting operations Pay taxes Providing false or misleading information on either a license application or renewal or otherwise improper use or issuance of a Massachusetts Hoisting License Suspensions and revocations may be appealed to the Department of Public Safety within one week of the date of suspension or revocation. This is your career, and not the time for you to gamble on the cheapest option. Applicant must submit a passport-size and style photo (2 x 2 inches) displaying a headshot, from the bottom of the chin to the top of the head.4 Applicant must submit either a medical certificate from the Massachusetts Department of Transportation5, an ANSI/ASME B30.5-204 Qualifications for Operators, or an Intrastate Medical Waiver from the Massachusetts Registry of Motor Vehicles.6 Applicant must submit a fee of $75.00 by check or money order made out to The Commonwealth of Massachusetts. However, should you need more time, we'll make it happen! Our world-class customer support team is standing by to ensure your experience is as positive as it can be. Section 65 of Chapter 146, Title XX. The Massachusetts HE 4G license covers: Specialty Side Boom Mower This course is a self-paced study guide, which allows you to review the material as many times as necessary until your exam date. Our customers also have the opportunity to enjoy Electronic Application Submission and Discounted D.O.T. Medical Cards, options not offered by any other provider. We receive a LOT of positive feedback for our customer support, so rest assured, you're in good hands. All other Mass DPS calls: (617) 727-3200. A score of 70% or higher is considered a passing grade. Rental Equipment Rules13 Rental companies must apply for status as a “Short-Term Rental Entity.” The company must have at least one trained employee who is the designated “short-term rental entity facilitator” by the Department of Public Safety, which person must oversee the equipment rental program. No person shall hold more than one temporary license within any 45-day period. Licenses must be renewed every two years. Click here for more info. Applicant must possess a valid driver’s license or ID issued by the Massachusetts Registry of Motor Vehicles. Instead, we provide you with comprehensive study materials that prepare you for all sections of the state exam. The required number of continuing education hours depends upon the license restriction. LIMITED TIME SALE! For a limited time, receive $21 off all Hoisting Exam Prep courses! Discount automatically applies. Equipment renters must be trained and licensed to operate the specific equipment rented to them, even if they intend to operate the equipment on their own property. You must achieve a 70% or better on a given exam in order to obtain the associated MA Hoisting Engineering license. They are: 1A, which qualifies the holder of the license to operate all types of hoisting equipment, including derricks and lattice cranes2 1B, which qualifies the holder of the license to operate telescoping booms with cables 1C, which qualifies the holder of the license to operate telescoping booms without cables 1D, which qualifies the holder of the license in forklift safety and operations 2A, which qualifies the holder of the license to operate excavators 2B, which qualifies the holder of the license to operate front-end loaders and backhoes 2C, which qualifies the holder of the license to operate front-end loaders and unloaders 2D, which qualifies the holder of the license to operate compact hoisting machinery 3A, which qualifies the holder of the license to operate air-powered and electrical powered equipment 4A, which is unrestricted 4B, which qualifies the holder of the license to operate oil rigs 4C, which qualifies the holder of the license to operate pipeline side booms 4D, which qualifies the holder of the license to operate concrete pumps 4E, which qualifies the holder of the license to operate catch basin cleaners 4F, which qualifies the holder of the license to operate sign hangers 4G, which qualifies the holder of the license to operate mowers Application Requirements3 Applicant must be at least 18 years of age. We take the worries out of course completion because we do not require payment for our continuing education courses for a Massachusetts Hoisting License until you have completed the course. About the Exam The state exam is a written exam comprised of about 30-40 multiple choice questions; you must score a 70% or better. Our affiliation with Mass Hoisting Training, Inc. Note: We always encourage complete review of our Exam Prep courses (highlighted areas, quizzes, and all other sections) - as the state exam is subject to change at any time. So you are essentially studying the "CliffNotes" for the state exam. MA Hoisting License Exam Process To apply for a MA Hoisting Engineering License, you must submit an application to the MA Department of Public Safety (or, we can do it for you, per our "Electronic license application assistance" option). Categories 1D, 4B, 4C, 4D, 4E, 4F, and 4G require one hour of regulatory and industry standard education and one hour of equipment-specific education for a total of two hours. License applicants must be 18 years old, complete an application, and successfully pass an exam covering all working parts of the hoisting machinery, safe operating practices, hand signals, and inspection procedures. The Engineering Division of the Office of Public Safety and Inspection (OPSI) licenses and regulates the operation of hoisting equipment. Before calling, please remember the process of applying and then sitting for a MA HE license exam typically takes at least a month. World Class Customer Support You don't need to be a computer expert to use our platform. This is not true; only continuing education courses require approval. If you score below a 70%, you must wait 60 days before you are allowed to retake the same exam. A list of exam dates and locations can be found here. During "normal" processing times, new license applicants typically receive an exam date in the month following when they applied (ex: application submitted in June, exam date provided in July). Applicants will receive notice of the time and place for their exam two weeks before the exam date. Our entire site was built with the comprehension that "ease of use" is rule number one. Course Subscription Some of our competitors only grant you 30 days access to your course. The Mass DPS will mail you (to the address provided on your application) exam details (date/location) about 2 weeks prior to your scheduled exam date. When you enroll in our Exam Prep courses, you gain more than enough time to study (4 months, to be exact). Exams are scheduled throughout on weekdays throughout the year until the first week of December.7 The Hoisting Operator Exam The examination tests the applicant’s knowledge of hoisting machinery, including all of the machinery components, best practices of operation, hand signals, safety and the Massachusetts General Laws about hoisting (Chapter 146, Sections 53-55 and 64-67).8 Copies of the Massachusetts General Laws are available at most local libraries. Continuing education must be conducted by an entity that has been approved by the Massachusetts Department of Public Safety. Learn about these benefits and more below. All other categories require two hours of each type of training, for a total of four hours. Massachusetts Contractors Academy The Massachusetts Contractors Academy has approved by the Department of Public Safety as a provider for Massachusetts Hoisting License continuing education.14 We offer approved courses for 1a, 1B, 1C, 1D, 2S, 2B. DPS Emergency Hotline The Massachusetts Department of Public Safety - Hours of Operation: (Mon-Fri / 8:45am-5:00pm): Call (508) 820-1444 to report all hoisting-related accidents. As a last resort, call the Mass DPS to inquire about your status (617.727.3200). The state exam is subject to change at any time, and we are constantly updating our study materials to make sure they are in line with current exam questions. Discounted DOT Medical Cards MA Hoisting License holders are required to hold a current D.O.T. Medical Card; a service which many physicians charge between $125 - $150. Part I of the Massachusetts General Laws requires that “Whoever desires to act as an operator of hoisting machinery shall apply to the Department (of Public Safety) for a license.” Note that “shall” is used in a legal context, in which case it is construed as stronger than “must.” Section 53 states that “anyone who will operate derricks, cableways, machinery used for discharging cargoes, and temporary elevator cars used on excavation work or used for hoisting building material, when the motive power to operate such machinery is mechanical and other than steam, including but not limited to … lattice cranes, derricks, cranes with or without wire ropes … overhead hoists (underhung), overhead cranes, underhung cranes, monorail cranes, lifting devices, cableways, and powered platforms, or any other equipment that has the minimum capability of hoisting the load higher than 10 feet, and either the capability of lifting loads greater than 500 pounds or the capacity of the bucket exceeds 1/4 cubic yards must hold a license from the Department.1” Massachusetts Hoisting License Classifications There are 14 categories – officially referred to as “restrictions” – of hoisting licenses in Massachusetts. So when you take an exam prep course, you cannot be sure that you are getting a complete curriculum, and believe us, there are a lot of area’s to cover. The state exam is subject to change at anytime, and so we have several systems in place to keep current with the latest exam questions being asked by the state. Success Rate When you choose AtLeisureLicense.com, you choose to prepare with confidence: Training school-of-choice by thousands of construction professionals Leading state exam pass rates Updated/current study material Highlighted areas of focus (see features below for more information) Practice quizzes (see features below for more information) Our commitment to you is unparalleled: If you don't pass the state exam after studying with us, we give you continued access - free of charge - to the Exam Prep course. Short-Term Operating Permits may be obtained at qualified Short Term Rental Entities. Enhanced Study Materials Our Exam Prep courses feature highlighted areas of focus (based on information the state has concentrated on in past exams) and practice quizzes at the end of each chapter. If you fail the exam, you may not take it again for 60 days. Each four-hour course costs only $59. Applicant must submit a completed Hoisting Machinery Application form. Mobile Friendly Access your account and complete your course(s) from any Internet-enabled device, any time, any place. We have several systems in place to alert us with new or changing exam questions. Electronic Application Submission Electronic Application Service: We don't just enroll you in a prep course and send you on your way ... If your name appears with the designation "pending," it means your application has been processed and you should soon receive details (mail) on your upcoming exam date/location. Visit our website and Take our Hoisting License classes for free! _____ [1] [2] [3] [4] [5] [6] [7] [8] [9] [10]www.osha.gov [11]www.aem.org [12]www.digsafe.com [13] [14] [15] You can add multiple courses to your cart & check out at any time. Applicants may stop and start each course as it best fits their own schedule without having to return to the beginning of the course. Continuing Education All holders of a Massachusetts Hoisting License must complete continuing education in their license restriction during each two-year period that their license is valid and before its renewal date. Still, you may decide you want some help, and we are a quick phone call away. Our curriculum includes practice quizzes after each section, as well as an entire section focused on questions that have appeared on past exams. All employees of rental equipment companies must be licensed before they are permitted to operate the equipment. Applicant must pass the hoisting exam issued by the Massachusetts Department of Public Safety From Application to Examination Once an application has been submitted and approved, applicants should typically anticipate receiving an exam date sometime during the month following the month in which the application was submitted. Discount does not apply to application submissions. We've teamed up with several physicians across the state to offer this service for only $75; a service only being offered through "At-Leisure"! Scheduled on our site, choose between several convenient locations across the state of MA. Our exam prep courses have been utilized by thousands of professionals for years with tremendous success. You can feel confident our study materials cover everything you need. The Mass DPS will receive and process your application, and schedule you for an upcoming exam. Application Status If you've applied for a MA HE License and are curious about your application status, there are a few things you can do: Check the Mass.gov License Verification portal and search by first/last name. Course Integrity One very common misconception is that MA Hoisting Exam Prep courses are approved by the state. Processing may take longer during periods of high demand. proves we offer a thorough and comprehensive curriculum which covers everything you will see on the state exam. Anyone who wishes to operate hoisting equipment must obtain a license from the Office of Public Safety and Inspections. Has your application check been cashed by the Mass DPS? Exam questions are a combination of regulatory and equipment specific topics. If you don't pass the state exam a second time (which has never happened with one of our students): we'll refund you the cost associated with your Exam Prep course (excludes state application/exam fees). Each of our courses is available online. Upon satisfactory completion of training, the training entity will issue a Uniform Certificate of Completion.
